## Friday, February 23, 2018

7.30-8.30

**Registration**

08.30

**Welcome**

P. Kessler, Chair ESRA Innsbruck Workshops

E. Brenner, Chair Division of Clinical and Functional Anatomy, MUI

B. Moriggl, Vice Chair Division of Clinical and Functional Anatomy, MUI

### **Session 1**

8.45 – 10.15

**Upper Extremity Blocks**

Chair: P. Kessler

**Anatomy of brachial plexus**

B. Moriggl, AUT

**Nerve blocks above the clavicle**

P. Merjavi, UK

**Nerve blocks below the clavicle**

O.Y. Cok, TUR

**Organising remarks**

L. Kirchmair, AUT

10.15 – 10.45

*Coffee Break*

### **Workshop I**

10.45 - 12.30

**Upper extremity blocks**

**Ultrasonography for peripheral nerve blocks**

12.30 - 13.30

*Lunch Break*

### **Session 2**

13.30 - 15.00

**Lower Extremity Blocks**

Chair: A. Borgeat

**Anatomy of the lumbo-sacral plexus**

B. Moriggl, AUT

**Nerve blocks of the lumbar plexus**

P. Kessler, GER

**Nerve blocks of the sacral plexus**

P. Merjavi, UK

15.00. - 15.30 *Coffee Break*

**Workshop 2**  
15.30. - 17.00 **Lower extremity blocks**  
**Ultrasonography for peripheral nerve blocks**

20.00 - 23.00 *Congress Dinner at Europa Tyrol Hotel*

**Saturday, February 24, 2018**

**Session 3**  
08.15 - 10.00 **Thoraco-abdominal nerve blocks**  
Chair: L. Kirchmair

**Anatomy for thoraco-abdominal nerve blocks**  
B. Moriggl, AUT

**Thoracic wall blocks**  
L. Kirchmair, AUT

**Abdominal wall blocks**  
P. Kessler, GER

10.00 – 10.30 *Coffee Break*

**Workshop 3**  
10.30 - 11.00 **Thoraco-abdominal wall blocks**  
**Ultrasonography for peripheral nerve blocks**

12.00. - 13.00 *Lunch Break*

**Session 4**  
13.00 - 15.00 **Practice of nerve blocks**  
Chair: L. Kirchmair, AUT

**Toxicity of local anaesthetics**  
A. Borgeat, CH

**Role of PNB in postoperative pain management**

M. Maurer, AUT

**Landmarks and ultrasonography for peripheral nerve blocks on live models**  
Demonstrations and discussion with faculties

15.00 - 15.30

*Coffee Break*

**Workshop 4**  
15.30 –  
open end

**Mixed blocks**  
**Ultrasonography for peripheral nerve blocks**
